MEMORANDUM FOR: Honorable Dean Rusk
Secretary of State

Pursuant to our discussion yesterday, I
agree with your suggestion that we not brief the

[redacted] effort. As an alternate,
arrangements should be made to brief a few of the
very senior people, including Heads of State. I have
discussed this matter with the staff and have initiated
the preparation of a briefing in which is included,
among other things, some typical photographs.

Unless there is some great urgency, I
would suggest that this briefing be done after the
middle of September. Otherwise, many important
personages will be on vacation and therefore unavail-
able. Also, since I have a number of Agency issues
in various European capitals, I could present these
briefings myself if this is agreeable to you. Please
advise so I may plan accordingly.
